This Division

1. All Division teaching and non-teaching personnel of this Division may use *depedtayo.org* as a medium of generating certificates during the conduct of webinars/online sessions. In generating certificates for the participants, *depedtayo.org* utilizes the DepED prescribed template based on the DepED Order no. 31, s.2019 also known as the Department of Education Service Marks and Visual Identity Manual.
2. *depedtayo.org* has secured socket connection (SSL) and has been certified by ESSET SSL Filter CA and operates in conformity with the Supreme Court of the Philippines' Rules on Electronic Evidence (REE), and the Department of Trade and Industry and the Department of Science and Technology's Joint Administrative Order No. 2 (JAO), which sets out a regulatory framework for digital signatures backed by certificates from recognized trusted service providers and the promotion of the Public Key Infrastructure (PKI).
3. When using *depedtayo.org*, it prints out a certificate in which the electronic signature is authentic since it employs a methodology/procedure defined in E-Commerce Act, Sec.5(e) thus prevents the massive distribution of digital signatures without consent from a signatory or approving authority.
4. For queries, clarification and further information, you may contact Engr. Michael Alexis Amboy of the ICT Unit of this Division.
5. For your information and guidance.
